Work History:

Nov 10 – Present Orthopaedic Associates, Occupational Medicine Consultant
Duties include non-surgical evaluation and treatment of worker's compensation patients, (from the private sector and governmental entities including federal employees); consultation for work place concerns, injury prevention, drug testing and fitness for duty issues; independent medical examinations; medical file reviewer including disability evaluations; aeromedical issues including FAA physicals.

Aug 10 – Nov 10, Evansville Occupational Medicine, Evansville, Indiana.
Occupational Medicine Consultant

Apr 99 – Aug 10, St Mary's Occupational Medicine Clinic, Evansville, Indiana.
Medical Director, Chairman Ambulatory Medicine Dept,
Member of Hospital Medical Executive Committee;

This was a free-standing hospital-based full-service Occupational Medicine Clinic. Our clients were over 900 of the 1500 companies in the local area. We performed all types of physicals (Post Offer, Fit For Duty, DOT, FAA, Law enforcement, firefighters, routine periodic surveillance, IME's, etc), did drug testing, ergonomic evaluations, safety training and injured worker care, (from the private sector and governmental entities including federal employees). We also provided on site services at many of the local large companies

Jan 85 – present ATLS instructor, Defense Medical Readiness Training Institute

Aug 98 - Feb 99 Physician Advisor - Utilization Management, University of Texas
Medical Branch - Correctional Managed Care
Unit Medical Director (Hospital Galveston assigned inmates)
