

FAA MEDICAL – Will you pass?

*What you
don't know
just might
ground you*

FAA WINGS PROGRAM

Don't miss this informative session with David Hale, Executive Director of Pilot Medical Solutions, Inc – A company based in Oklahoma City with a distinguished medical team who has helped thousands of pilots return to flying. As part of the presentation, cards will be circulated to allow you to anonymously have David discuss the medical topics of greatest interest to you.

Saturday, APRIL 29 10am-Noon

Location: **Auditorium of the VA Hospital -- 200 Springs Road, Bedford, MA**

Directions: Take 128 to RT-225 W / RT-4 N (exit **31B**) to Bedford. Travel 2.2 miles, take a RIGHT on **Hillside** which turns into Springs Road. **After the 4-way stop**, travel 0.5 mile to the VA Hospital parking lot (on the right), enter the main building (on the left), and follow the signs to the auditorium.

HOSTED BY: The Greater Boston EAA Chapter 106

About EAA106:

info@EAA106.org

EAA106 is a very active chapter with over 100 members

Whether building, flying, or just dreaming, EAA106 has something for YOU. 24 members have built and/or fly a kit/plans built aircraft, 23 members are building as individuals and 10 are building one aircraft together. 30 members own or rent certified aircraft. Many have aviation dreams. Our hangar is located at Lawrence Municipal Airport and we hold monthly aviation programs that are interesting and educational (ie: fly-ins, survival, building aircraft, flight medical, etc). Come join and share in our love of aviation! www.EAA106.org
